To whom it may concern:

It's my absolute pleasure to recommend Jonathan Sobier for employment.

Jon worked at SuperInterns.com as a Web Designer from January 2019 to May 2019.

I thoroughly enjoyed my time working with Jon and came to know him as a true asset to absolutely any team. He is observant, innovative, and imaginative. He is an impressive collaborator who is always ready to work with others.

His knowledge of Graphic Design and expertise in Web Design was a huge advantage to our entire company. He put this skillset to work to help work on our websites.

Along with his undeniable talent, Jon has always been an absolute joy to work with. He is a true team player, and always ready to assist a teammate.

Jon was a valuable member of the Web Design team. During his time with us he assisted in creating pages for our sister company's new website including the pages for 'About Us' and 'Contact Us'. Jon contributed his impressive CSS expertise to the team along with quickly mastering the Contact Form 7 WordPress plugin for this 'Contact Us' page. Although he faced some CSS challenges with his 'About Us' page, his persistence paid off and we were rewarded with an outstanding page for our website.

I highly recommend Jonathan Sobier for employment, and we are giving him our highest SuperInterns.com recommendation. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your organization.

To the rescue!
